

2017-2018

Your PTO is calling All L-H Chess
Players!

Dear Parents,

Our successful Chess team is about to enter another season. We will meet 21 times on Wednesdays from 3:05pm – 4pm. On days when matches are played we will finish at 5pm. We will play in the C.H.E.S.S. league (Challenging the Heads of Elementary School Students), which is comprised of 5 Millburn elementary schools and Lincoln-Hubbard. We will also play friendly matches against other Summit schools and compete in the Summit Elementary School Tournament at the end of the school year. The participation fee for each player is \$150ⁱ.

Should your child wish to participate, there will be a try-out tournament in the L-H school cafeteria on

Tuesday, September 26th and Wednesday, September 27th from 3:05pm – 5pm

Students must attend both try-out days. Each student will play 4 to 5 games of a maximum of 30 minutes each. Upon completion of the tournament you will be notified if your child has made it onto the chess team or whether more practice is required.

In order to participate in the try-out tournament you need to register your child by September 25th. Please send an email containing your child's name, class and your cell phone number to yulkam@hotmail.com.

Thank you

Julia Minina.

ⁱ PTO Scholarships are available. Mr. Carlin will review all need-based scholarships. Please call him in the office at 908-273-1333. If you're applying for a scholarship, please send in your registration with a note indicating that Mr. Carlin is reviewing for a scholarship.
