

December 2020

Dear LH Community:

As I'm writing this letter, the snow is still falling and the Summit community is enjoying a well-deserved snow day. In picking up my son at dismissal yesterday, I heard the excitement and saw the anticipation of the students for the upcoming snow day and it warmed my heart – some normalcy for the children! I am so thankful and proud of Summit, and the Lincoln Hubbard community in particular, for making it to December in such a healthy and happy manner.

With almost half a year under our belts, it's thrilling that the PTO has been able to offer some fun enrichments for the school: monthly principal Q&A sessions, various PTO Speaker Series for the parents, our first ever Wine & Cheese tasting, the Scholastic Book Fair and our upcoming Winter Afterschool Activities and even a school play (!). We appreciate any opportunity to connect with the community and create conversation for our parents and families and provide valuable connections and experiences for our students.

We have so much to be thankful for and so much to look forward to; and we continue to welcome your feedback. Please join us in completing a school survey by Wednesday, December 23. We'd like to understand how the year is going for our families. <https://docs.google.com/forms/d/e/1FAIpQLSciTSLG2KWS5cVydBgYGnlXy4PVBLIP3eowsJc9NJ92r0othQ/viewform>

We thank you for being amongst the top of our gratitude list. Enjoy the warmth of your homes and your families during the holiday season. Wishing you and yours all the best for an even better 2021.

Warm Regards,
