

June 2021

Dear LH Community:

This letter is so very bittersweet for me as it is my last official communication as PTO President. I have loved every minute of the opportunity and wanted to thank everyone for the chance to work with such a wonderfully giving and thoughtful community that is LH! I am thankful for the incredibly successful partnership with our adoring principal, Mr. Carlin, our dedicated ePTO team that I was honored to work with as well as the most giving staff and attentive parent community.

We have (almost!) made it through an entire school year back in person during a pandemic which is a feat to be acknowledged for sure – but I also want to take a minute to celebrate all that we have done this year as a community above and beyond the academics! Let's look at our accomplishments by the numbers:

- ONE Teacher Storytime, Scholastic Book Fair, New Family Meeting, Winter ASA's Session, Virtual Wine Tasting, LH's original school play, LH Talent Show, March Mindset, Movie Night, #LHStronger Campaign, Move-a-thon, SAGE Food Drive
- TWO Author Visits (and book sales!)
- FIVE Virtual Assemblies
- SEVEN PTO Speaker Series
- NINE Class Parent Meetings
- FOURTEEN Teacher Appreciation Initiatives
- SIXTEEN Principal Coffees
- MUCH enthusiasm, resilience and strength by the collective LH Family

We have achieved so much together as a community and more than ever and there is so much to be proud of. I am glad to be a part of LH for many years to come. As usual, any questions, please pose them my way!

Warm Regards,
Laura Buccola
PTO President 2020-21
