Little Hilltoppers Sports Camps

DESCRIPTION

The Little Hilltoppers Sports Camp is a unique children's summer camp experience! It will offer a small group learning environment surrounding the basics of tennis and basketball. The coaches have a large expertise in their respective sport as they are all past or present Summit High School varsity athletes. The daily schedule will consist of station work in which your kids will learn skills, drills, and strategy for both tennis and basketball. We will then incorporate these lessons into games and competitions with the chance to win fun prizes each week. Our main goal is to have your kids leave camp every day with a smile on their face and a newfound appreciation for being active. We look forward to coaching the future of Summit sports! The Little Hilltoppers Sports Camp will run from June 21 to July 9, from 9am to 12pm, Monday to Thursday.
