

Google Classroom Parent Guide

This is a guide for parents to help students when they access Google Classroom.

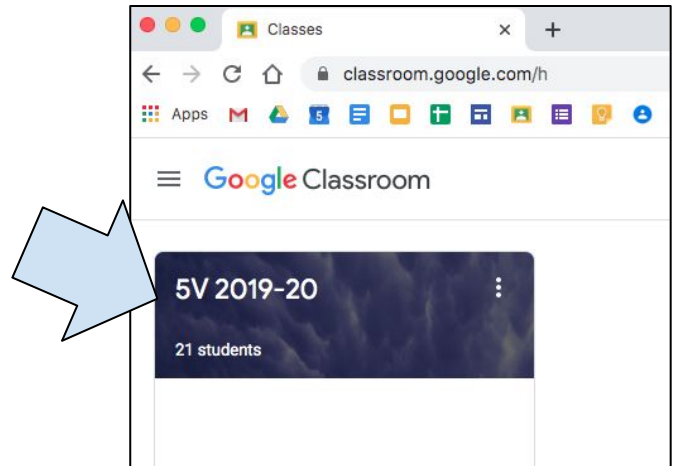

Only students should use these accounts.

1

Go to www.classroom.google.com . At the top right, click “sign-in” to Google Classroom. Students login using their Summit Google username and password.

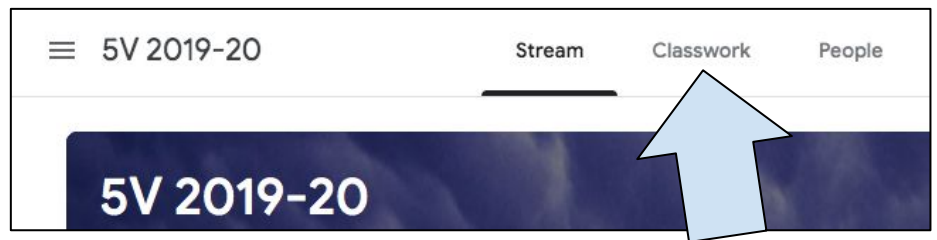

2

After logging in, students will be on the “Home Screen” of Classroom. They will see their teacher’s Google Classroom and can click on the square to enter the class

3

To access assignments, click on the “Classwork” tab on the top of the teacher’s classroom.

4

Students will then see a list of the posted assignments. Some may be organized by topic, on the left. They can click on any title to open them and view their assignment.
